Centerpiece by Alicia Salazar

**SUPPLY LIST**

- Flower Frill Template Medium 4” Art. No. 8460
- Flower Frill Template Large 5” Art. No. 8461
- Ultimate Scissors EX-135-B Art. No. 4932
- Needle & Thread
- 16 gauge stem wire
- 22 gauge florist wire
- Florist gum
- Floral Tape
- Wire Cutters & Pliers
- 5 Stems of Berries & Leaves
- 1 Garland of Pine Needles

**CONSTRUCTION**

Make:
- 2 Medium (4”) flowers with approx. 11-12 petals per flower
- 5 Large (5”) flowers with approx. 16-20 petals per flower

Follow the instructions in the package.

**Attach Stem Wire to Flower:**

**Step 1:** Bend one end of wire 5” and place in the center of the Flower and between a petal.

**Step 2:** Use pliers and clamp the two wires together; then twist the short wire around the long wire.

**Step 3:** With 10” of lighter weight wire (22 gauge) fold it in half and insert the wire same as the long stem through the center and include a petal. Hold them together and twist around the heavier wire, pulling tight. Stitch around flower base and include the wire, this will assist in holding the flower upright.

**Step 4:** Wrap wire with florist tape.

**Step 5:** Open petals of the frill flower to make it full and round.

**Assembly:**

Begin with a shallow vase. Set foam cube into place and secure with florist gum. Pull pine needle sprigs from the garland and arrange with the berry and leaf sprigs around the side of the cube. Add stemmed frill flowers.

Cut a 5” square of fabric from one of the Christmas prints and glue to the top of the cube. Set candle in center on the top of the cube.
