**Attachment Methods**

Note: Carol recommends making a yo-yo the size to cover the center of the back of the finished flower frill. This gives a finished look and a nice flat base to attach any pin or clasp.

**Headbands, Hairclips & Hatbands**
Sew with needle and thread or hot glue.

**Scarfes, Necklaces, Shoes & Handbags**
Sew or hot glue onto an alligator clip.

**Lapel Pins & Corsages**
Sew or hot glue onto a pin back clasp.

**Fun Frill Headbands** by Alicia Salazar

Embellish your existing wardrobe and home accessories with flower frills.
No matter where we look these days we see Flower Frills on headbands, hairclips, shoes, necklaces, belts, lapel pins, handbags and just about any place in need of a little showy frill! From haute couture right on down to newborn babies… Flower Frills are making the scene.

Follow these easy instructions for making the Flower Frill petals. Try different textures and types of fabrics and have fun mixing up colors as well.

**WHAT YOU’LL NEED:**
- Fabric
- Scissors
- Sewing Needle
- Strong hand sewing thread

**APPROX. FINISHED SIZE & REQUIRED FABRIC SIZE**
- SMALL: 3” - approx. 3-3/4” square
- MEDIUM: 4” - approx. 4-3/4” square
- LARGE: 5” - approx. 5-3/4” square
- EXTRA LARGE: 6” - approx. 6-3/4” square

---

1. **Preparation**
   - Thread the needle and make a knot.
   - The thread must be at least 18” (50cm) long.

2. **Making the petals**
   - Place the template on the front side of the fabric and fold the two together.
   - Where you see arrow 1, fold so that the template is on the outside.
   - Fold the lower half away from you.

3. **At the place marked 3, fold the top layer only inwards.**
   - and should come together.

4. **Fold the lower layer away from you.**
   - Viewed from the left.
   - Viewed from the right.

5. **You have now finished folding.**
   - On the other side, and should come together.

6. **Repeat steps 2 - 5 and thread the petals onto the same thread.**
   - Target number of petals: 15 - 25 for each flower.
   - Decide on the number of petals according to the type of fabric used and your personal preference.

7. **Finishing**
   - Remove the needle; tie the two ends of the thread together using a double knot. Pull petal folds open to create a nice, full Frill Flower.
