Join our Email Mailing List for regular updates of New Products

*Prices following include G.S.T. Overseas customers do not pay our G.S.T. and will need to deduct 9.1% from the list price. Cost remains at \$5.00.*

NEW!!! PUNCH REWARDS

*Did you know that when you order via our website's secure online system, that you receive **PUNCH REWARDS** for future **FREE** spending? In most cases, for every dollar you spend online you will earn 1 Punch Reward. When you're ready to use your Punch Rewards, they are converted into Punch Dollars and may be used for any online order. It is a "loyalty" system for Registered Website Users **ONLY** for you to use any time you order via our website as our way of saying **THANK YOU** for shopping with **PUNCH WITH JUDY**. **ONLY** via our website though and not redeemable at Craft Shows. Are you registered? Remember too, this is completely different to being subscribed for our Newsletters. Our new Punch Rewards system replaces our Punch Points Voucher system and is simpler for you to use and much more flexible. I think you'll like it!*

Full details are displayed on our website.

*If you would like details about our **THREE DAY SEWING RETREATS** at **THE ROCK** for Innovative, Creative Sewing Ideas on Texturing with Textiles, Machine Embroidery, Patchwork & others, then please let me know and I shall forward all the information you will need. They are fabulous fun and so inexpensive. Retreats cost \$700.00 (incl. G.S.T.) or \$800.00 for Machine Embr. (incl. fabric & stabilizers) which allows accommodation and all meals for four days plus the three days tuition. Full schedule of available classes are listed over the page; kindly choose which ones interest you, then request further details that I have outlined separately. Sometimes we have Patchwork Retreats, Overlocking Retreats and our Pleat Maker Techniques Retreat.*

We have commenced our Online Classes for using the Pleat Maker and also another for Punchneedle Embroidery. In 2011 we add even more online classes; visit our website for full details. These certainly will help those who can't make the distance to attend our hands-on Retreats.

Hope this inspires you to join my guest tutors and myself! Please contact me for full details. Look forward to hearing from you or seeing you at an upcoming Show.

Sincerely,

Judy Hall

Creative Sewing & Patchwork Retreats

Feel like a holiday? Why not treat yourself to a wonderful SEWING RETREAT for 3 days held regularly at THE ROCK (near Wagga), N.S.W.

It is very therapeutic if you deserve something for YOU, whilst making some new friends with the same interests.

It is a real FUN escape and very informative - you'll LOVE it!

These workshops are held locally, the cost of which for 2011 is \$700.00 (incl. GST) for 3 days tuition and 4 nights, includes all meals and accommodation.

Now, that is very reasonable!

For Machine Embroidery it is \$800.00 as it also includes fabric & stabilizers.

Please ask for further details of what you would learn in these classes.

Most classes are designed for beginners and advanced, varying for each student. This makes it possible for students to attend some classes twice without duplication.

Happy Sewing - Judy

RETREAT DATES FOR 2011 – held at THE ROCK

Machine Embroidery Retreat for computerized sewing machines. 10th – 12th September OR 16th –18th September, 2011

This is a specially designed workshop with you in mind!

Learn from our special guest tutor and myself, how to get the best from your investment.

We will cover correct hooping, choice of correct stabilizers, threads & needles, exact placement and how to use various accessories (eg. The Sewing Revolution) and software available. Suitable to all brands of machines and for the novice to the expert.
